SACRED HEART CATHOLIC HIGH SCHOOL

A Community Called to Share in the Development of the Whole Person
908 Lemar Road, Newmarket, ON L3Y 1R9 Telephone: 905-895-3340 Fax: 905-895-9416

October 26, 2021

Dear Parents/Guardians:

You are invited to our Virtual Open House on Wednesday, November 3, 2021 at 7:00pm.

A YouTube video will be made available to you on Monday, November 1, 2021, by accessing this [LINK](#) or by visiting our school webpage at sahe.ycdsb.ca.

Sacred Heart Catholic High School is a community called to educate the whole person through Faith, Hope, and Love. We are celebrating 42 years of excellence and tradition. Our school offers diverse, comprehensive programming that explores several pathways to postsecondary education and beyond. We are excited to offer two unique specialized programs. Our iRAP program (Regional Arts & Technology) provides an integrated approach to studying the Arts and Technology. We are also a centre for the Advanced Placement/AP-PREP Program. Students may register for both the iRAP and AP-PREP Program if they wish. A separate registration is to be completed for each of these specialty programs.

You will find attached an entire registration package with the appropriate links necessary to register your child for our general program as well as our iRAP and AP-PREP Program.

The deadline for registration is December 1, 2021.

You are welcome to join us on Tuesday November 9, 2021 at 7pm for a virtual Question/Answer session by visiting bit.ly/Welcome_to_Sacred.

If you have any questions, please do not hesitate to contact us.

Welcome to Sacred Heart Catholic High School!

Sincerely,

Olga Ferro
Principal

Danny DiLallo
Vice Principal

Roberto Mittone
Vice Principal

iRAP Website: www.irapsacredheart.ca

“Those schools who infuse arts throughout the school see a profound impact on students and culture,”
Cheri Stermán

Are you a creative thinker with a passion for learning about the world through the lens of the arts? Are you looking for a unique learning environment which focuses on the connections between the Arts, Technology Studies and other curriculum areas?

Do you have a passion for one or more areas of the arts, Dance, Digital Media Arts, Drama, Music, Visual Arts, Technology? If any of these statements resonate with you, we would encourage you to apply for our Integrated Regional Arts and Technology Program (iRAP) program.

Sacred Heart is celebrating 42 years of excellence and tradition. We are known for our excellent academic programs, sports, arts, student leadership and community engagement. We are an Advanced Placement Centre of Excellence (AP PRE-AP), a Centre for Specialists High Skills Major (SHSM) in both Arts & Culture and Health and Wellness, as well as a Centre for English Language Learners.

In September 2020 we launched a new, innovative program called Integrated Regional Arts & Technology (iRAP). This program is open to students in grades 8 and 9 in the York region and surrounding area. In our first year, we opened the doors to over 150 iRAP students.

We offer an enriched learning environment within the arts and technology with a focus on creative engagement. Through our unique and innovative **integrated** program, students discover the world through the creative process and develop self-expression, confidence, and critical thinking skills. They will explore pathways in both traditional and non-traditional fields of study to prepare for future innovative industries which could include art, technology, science, digital media and art therapy.

Our passionate students enrolled in the program are seeking an enriched learning environment with a focus on creative engagement in the Arts and beyond.

Our newly renovated facilities showcase a state-of-the-art dance studio, drama room, music and recording studios and new Mac lab.

In Grade 9, the program provides all iRAP students with individual iPads to help them develop valuable technological and communication skills necessary in today's world.

Although performance is a critical aspect of our program, we also focus on the Arts and Technology integration across the curricula. Students will have an opportunity to combine their graduation requirements with an integrated study of the Arts, including Music, Vocal Music, Drama, Dance, Visual Art, Digital Media Arts and Technology Studies.

Students who earn six credits in iRAP will acquire a “Certificate of Arts & Technology.” Students earning eight credits, on the other hand, will be granted an “Honours Certificate in Arts & Technology”.

Students will develop a digital portfolio, participate in art fairs, be involved in community partnership opportunities, develop post-secondary pathways in the arts and beyond.

In order to be considered for admission, students are required to complete an on-line application form. Visit www.irapsacredheart.ca

Please come to our Virtual Open House on Nov 3, 2021 at 7 pm. A YouTube link will be available on our website. www.sahe.ycdsb.ca

This is a regional program open to any grade 8 and grade 9 students in York Region.

Sincerely,

Olga Ferro
Principal

Danny DiLallo
Vice Principal
