Winter Walk Day!

Winter Walk Day is celebrated by schools across Canada on the first Wednesday of February each year. Walking and wheeling to and from school is fun every day, so we encourage you to journey outside throughout the entire month of February!

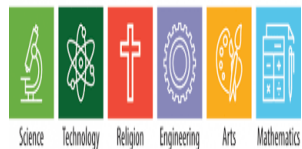

SNS Extracurricular Activities

In addition to coaching sports teams, our teachers and staff continue to get students involved in various activities and clubs throughout the week during one of their recesses. We currently have the Games Club, Karaoke Club, Crochet Club, Student Healthy School Committee, Luke 4:18, Morning Announcement Committee, Indigenous School Land Acknowledgement Committee, Tech Committee, Choir and opportunities to be door monitors.

We are so grateful for our staff who generously dedicate their time to support students by providing opportunities for them to explore various interests, develop new skills, build relationships, and foster leadership qualities and teamwork outside of the traditional classroom setting.

STREAM

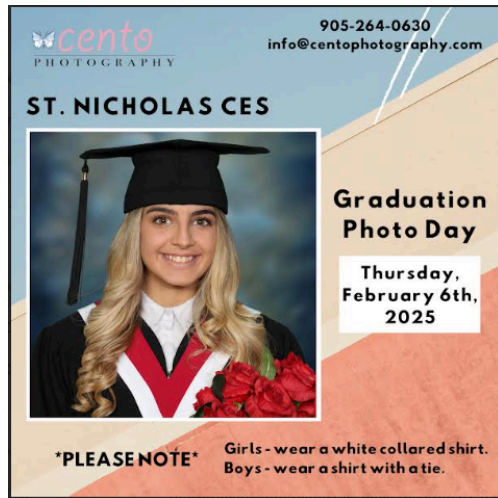

Ms. Peca and Ms.Colacicco's grade 3 classes attended the STREAM Centre in January. Students had an opportunity to explore the use and conservation of Ontario's natural resources and documented solutions to real-world problems, linked to a Sustainable Development Goal, through stop-motion conservation videos.

[School Mental Health Ontario](#) is excited to share and launch [By Your Side – parent/caregiver resources to support mental health learning and well-being for every family.](#)

We know that parents and caregivers want their children to be physically and mentally healthy, and already have many effective tools and strategies in place.

By Your Side recognizes the expertise of parents and caregivers and offers resources to support learning and strengthen mental health and well-being in every family.

Say Cheese!

Grade 8 students are asked to bring their best smile on Thursday, February 6th for their grad picture. Students are encouraged to wear a white collared shirt.
