A Gift of Care: Sharing Our Blessings with the Rose of Sharon

This year, the Intermediate Division is making a dedicated effort to engage students in meaningful community initiatives. Our goal is to foster a stronger sense of perspective, humility, and gratitude as they work toward achieving the Catholic Graduate Expectations.

In the coming weeks, the Intermediate students will be collecting toiletries from all the classrooms and assembling baskets to donate to residents of the Rose of Sharon. Each class will be assigned a specific item to collect. Classroom teachers will share further details through their google classroom or class communication platforms. Thank you for your generosity in supporting this initiative. Your contributions will help our students recognize their blessings and develop a deeper understanding of the importance of helping others in need.

FDK Registration

Kindergarten registration is now open. We kindly ask that families register promptly as it will assist us in preparations for next year. Please see the digital [flyer](#) for program information.

Halloween Photo Booth Pictures

There have been several inquiries regarding the pictures from the Halloween Dance-a-thon. For updates or questions please contact Mrs. Gillison directly at stnickhorlunch@gmail.com. Thank you for your patience and understanding.

Free Parent EQAO Webinar - Winter 2025

Register for a free live webinar and learn about the EQAO math questions that Ontario students encounter when they participate in Ontario's large-scale assessments. These assessments are taken by all Ontario students in Grades 3, 6 and 9. During the webinar, EQAO staff will show how these math questions help assess the skills students are learning in their math classes. Staff will also share valuable insights from the past three years of assessment results, which can help parents and guardians support their children's math learning.

Choose one of the following webinar dates:

- January 28, 2025, starting at 6:30 pm
- February 18, 2025, starting at 6:30 pm
