Lent: Home Parish Connection

Deacon Gary visited St. Nicholas for the first time to celebrate our Ash Wednesday Liturgy. While it marked the beginning of Lent, he also reminded us all that during Lent, we are called to examine our lives, deepen our relationship with God, and seek reconciliation with others.

Thank you to our junior division for preparing students for the readings and Ms. Sorrento for leading the choir.

A heartfelt thank you to Avanti Events Limited for generously providing our students with delicious pancakes on Shrove Tuesday and to our parent volunteers for helping with distribution. Your kindness and generosity are truly appreciated by the entire St. Nicholas School community.

Dance, Dance, Dance!

Travelling Stage, an Arts Education Organization, is once again bringing curriculum based dance workshops to our grade 1-8 students over the next 6 weeks. The theme this year is Dancing through the Decades and the program will culminate with a school performance in May. We are looking forward to a show filled with dance styles from the 1920's to modern day!! Thank you to CSC for helping us bring this opportunity back to our school.

Webinar: EQAO Math Night for Parents and Guardians

Education Quality and
Accountability Office

Register for a free live webinar where EQAO staff will discuss math questions that Ontario students encounter when they participate in Ontario's large-scale assessments. These assessments are taken by all Ontario students in Grades 3, 6 and 9. During the webinar, EQAO staff will show how these math questions help assess the skills students are learning in their math classes. Staff will also share valuable insights from the past three years of assessment results, which can help parents and guardians support their children's math learning.

Webinar date:

- April 2, 2025 @ 6:30 pm

World Down Syndrome Day

On March 21st, we recognize World Down Syndrome Day. For 2025, the theme for this day is **Improve our Support Systems.**

Everyone needs support sometimes.

Use this [LINK](#) to learn about what a good support system includes and why they are so important.

Students can show their support by wearing brightly colored socks or mismatched socks. Visit [The Down Syndrome Association of York Region](#) for more information about Down Syndrome.
