Virtue of the Month

This month we recognize the virtue of Perseverance. It is this virtue that helps us through the dark and difficult days. It gives us the discipline that not only leads us through the Lenten moments in our lives but in the intellectually and morally trying times. This virtue carries with it the promise of God's loving presence that is always with us.

Black History Month

On Wednesday we had our Back Excellence Liturgy. The Intermediate students and the choir did a wonderful job highlighting and celebrating some of the many achievements and contributions of Black Canadians to the development and culture of the Catholic Church and of Canada, through poetry, song and dance. Thank you to Mrs. Plati, Mr. Carniel, Mrs. O'Brien and Mrs. Sorrento for their leadership.

Shrove Tuesday

Tuesday students will receive a delicious nut-free pancake, thanks to the generosity of one of our SNS community members. If you do not wish for your child to receive one for any reason, please inform their classroom teacher. Thank you for your support.

Lost and Found

All lost and found items will be packed up at the end of the week. Please remind your child to check for any lost belongings. Parents and guardians are also encouraged to come in and check before items are collected.

Active School Travel March Newsletter

This month's newsletter outlines the benefits of walking to the bus stop and riding the bus. In addition, you will also find school bus safety tips. Click on the link for more information. [LINK](#)

EQAO Webinar for Parent and Guardians

EQAO is offering a free live webinar for parents/guardians of elementary & secondary school students participating in the Grades 3, 6, and 9 EQAO Mathematics Assessments.

Webinar: EQAO Math Night for Parents and Guardians

Education Quality and
Accountability Office

Register for a free live webinar where EQAO staff will discuss math questions that Ontario students encounter when they participate in Ontario's large-scale assessments. These assessments are taken by all Ontario students in Grades 3, 6 and 9. During the webinar, EQAO staff will show how these math questions help assess the skills students are learning in their math classes. Staff will also share valuable insights from the past three years of assessment results, which can help parents and guardians support their children's math learning.

Choose one of the following webinar dates:

- March 6, 2025 @ 12:00 pm
- March 26, 2025 @ 6:30 pm
