### **Booster Juice Day**

Just a reminder to all parents to have your child let their teacher know what flavour they would like for our Booster Juice Day this Friday, June 5th.

### **Transportation Safety**

We kindly remind all families that students are required to use their assigned bus stops. This is important for both safety and liability reasons, particularly for our drivers who must account for every student on their route. Please ensure that your child boards and gets off at their designated stop only. Thank you for your cooperation.

### **Mini Meals, Major Creativity**

Last month, Mrs. Senior's grade 5 class impressed us all with their mini meal creations as part of a fun and creative class assignment. The students crafted tiny replicas of food items with incredible attention to detail, each piece looked good enough to eat! Well done, Grade 5s!

### **EQAO**

Last week, our grade 3 and grade 6 students successfully completed this year's EQAO assessments. While the mornings were long and focused, our students demonstrated great perseverance throughout the process. A heartfelt thank you to our classroom teachers and core teachers for their guidance, preparation and encouragement.

### **SNS Track Day**

A heartfelt thank you to Mrs. De Angelis, Mrs. Franzin and all staff for making our SNS Track day a wonderful success for our students. We were blessed to have beautiful weather, and students participated enthusiastically in a variety of track events.

Our younger students had the chance to cheer on their junior and intermediate peers, giving them a glimpse of what's to come as they look forward to participating in future track events themselves. Our school track team has now been selected and will begin training in preparation for the upcoming meet at St. Maximilian Kolbe on June 18th.

### **Celebrate with us at the FunFair**

We are excited to invite all families to join us for our annual school fun fair on **Friday, June 6th**. This is one of our most anticipated events of the year, a chance to come together as a school community to celebrate and have fun. See flyer for details on ordering food and buying a play pass.
