Welcome to Kindergarten

Last Thursday, we had the pleasure of welcoming both new and returning families to our school. It was a wonderful opportunity for our team to meet our future North Stars. The day was a huge success, thanks to our amazing FDK Team. A heartfelt thank you also goes out to the members of CSC and community partners who joined us to greet families and share ways to get involved in the school life.

Catholic School Council Meeting

Thank you to all members of our school community who attended our recent virtual CSC meeting. Your presence and participation are truly appreciated. When we come

together in partnership, staff, families, and council members alike, we create the best possible environment for our students. Working together always makes a difference!

Living Rosary

This week, we gathered as a school community to celebrate our Living Rosary, and we were so pleased to see so many of our families join us in prayer. Coming together as a community of faith is a beautiful reminder of the strength and unity we share through prayer. A special thank you to our Primary Division for organizing this meaningful event, and to all staff for preparing our students so thoughtfully. It was a wonderful honour to our Mother Mary, and a moment of grace for our entire school.

Celebrate with us at the Fun Fair

We are excited to invite all families to join us for our annual school fun fair on **Friday, June 6th**. This is one of our most anticipated events of the year, a chance to come together as a school community to celebrate and have fun. See flyer for details on ordering food and buying a play pass.

SNS Track Day

Tomorrow is our rain date for our Track Day. The weather looks perfect for the event. Please ensure that your child comes to school dressed appropriately. A water bottle, sunscreen and hat is recommended. Students in grades 4-8 will be running races and involved in field events. We are looking forward to a fun-filled day. A huge shout out to Ms. DeAngelis and Mrs Franzin for all their hard work in organizing this, as well as, all our staff for working together on providing this experience for our students.
