Tip of the Week

Technology is an amazing tool, but balance is key. Encourage regular breaks, outdoor play, and device-free family times. Helping children manage screen time promotes healthy habits and gives them space to grow in other areas of their lives. Cyber safety is a shared responsibility. By staying engaged and connected—parents, school, and students—we can

ensure that children develop the skills to navigate the online world safely and responsibly. Thank you for partnering with us in this important work.

Parent-Teacher Interviews

Parent-Teacher Interviews are coming up next month. You can begin booking on **Wednesday, November 5th at 8 am**. Parent-Teacher Interviews will take place on the evening of Thursday, November 20th or the morning of Friday, November 21st (PA Day). Interviews will be held in your child's classroom, each interview will be 10 minutes in length. Please select the time that works best for your

schedule. If you have any questions, please feel free to contact the school.

Coming Soon!

The Junior Division (grades 4-6) is organizing a fun fundraising activity that will take place during the last recess! Students will have the chance to participate in mini basketball challenge games, where they can compete with their peers in a spirit of fun and teamwork!

All junior students are welcome to participate if they wish. This activity promotes healthy competition, encourages fair play, and gives students a chance to try something new! Stay tuned for more information.

Healthy Schools

As Halloween approaches we are excited to see our students' costumes and share in the joy of this fun day. To help maintain a healthy learning environment, we kindly ask that students do not bring candy or other treats to school. If you would like to send something in for your child's classmates, please ensure that it is non-edible, so we

can keep everyone safe and avoid any allergy concerns or food sensitivities. Thank you for your understanding and support in making this a safe, fun and inclusive Halloween for all our students! [Healthy Schools Newsletter](#)

Wishing you a great week ahead!

M. Sanders
