## *Greetings SNS Community!*

### **Terry Fox Event**

Our Terry Fox Walk was a huge success! It was a beautiful day spent running and walking for a great cause. We surpassed our goal of \$2400 and raised a total of \$2885. Thank you to all our SNS school community for their generous donations.

### **Thanksgiving Food Drive**

The Luke 4:18 Committee is collecting donations of non-perishable food items to support the Newmarket Food Pantry. Tomorrow is the last day for collections. Your support of this initiative is greatly appreciated.

### **Guiding Your Child Toward Healthy Connections**

This week we are sharing a short video to support you in helping your child build positive relationships and learn strategies to manage conflict in healthy ways. We hope you find it helpful as you guide your child in developing these important life skills.

### **Cross Country is Back!**

Students from grades 4-8 have been working hard to prepare for the upcoming Cross Country meet, which takes place on Wednesday, October 15, 2025. They will be testing their stamina and practicing their running techniques as they prepare. A shout out to the coaches Mrs. Buttiglieri, Mrs. Calomino, Mrs. Colacicco and Ms. Peca for training our students. Go North Stars Go!!!

### **Indoor Shoes Reminder**

As the weather turns wetter (and soon snowy!), we are asking that all students have a pair of indoor shoes to change into when they enter the school. This simple routine keeps our classrooms and hallways clean and safe for everyone, and it also supports

the great work our custodians do each day. Thank you for helping your child build this good habit.

### **Cyber Awareness Month**

October is Cyber Awareness Month and we'll be sharing weekly tips and reminders to help support our students in developing safe online habits. As a school community, we know how important it is to work together, school and home, to guide our children as they learn to navigate technology and social media safely. Parents play an active and important role in this process, and we look forward to partnering with you over the next few weeks to build awareness and protect our students online.

# GET READY FOR PHOTO DAY!
